GOOD LUCK IN KANSAS CITY
THOROUGHBREDS

Welcome

The Thoroughbreds take pleasure in welcoming each and every one of you to what we believe to be our finest show to date. We have attempted to do some songs for every age and every musical appetite. Our goal is that you will be humming one of the songs as you leave this evening or possibly remember tomorrow with a smile.

So sit back, relax and enjoy yourselves as we take you 'Down The River' of yesterday, full of fun and music.

We thank you so much for coming and hope to see you all again next year. Until we meet and sing again.

Yours in Song,

Don Grammer
President

WE SING THAT THEY SHALL SPEAK

The Institute of Logopedics
International Service Project of
The Society for the Preservation and Encouragement
Of Barber Shop Quartet Singing in America, Inc.

Barbershop Harmony has a new ring these days - one with a deep and joyous purpose to it. For Barbershoppers are willingly lending heart and voice that silent children throughout the world may be given speech. S.P.E.B.S.Q.S.A. is proud indeed of its International Service Project, the Institute of Logopedics in Wichita, Kansas.

In every community there are men who love to use their God-given talents to sing. In every community too, there are silent children who cannot express even the simplest song or thought imprisoned in their hearts. They look to the Barbershoppers for escape from their lonely prisons of silence. We are humbly grateful that God has granted us the privilege and talent to sing - *that they shall speak*.

Communication, as every Barbershopper knows, is mankind's most vital tool. As a pioneer in the field, the Institute has brought speech to more than 30,000 persons throughout the world; and has become the largest residential habilitative center. Today more than 3 children per day are restored to their communities to take their rightful places as speaking members of society.

But countless thousands still plead mutely for our help . . . your help. We cannot - nor do we wish to - ignore their unspoken appeals.

Without speech a human's world is dark and his potential unknown.

No one ever dies from a speech disorder. But, for millions existing in silence, it can be a living death.

To meet the needs of the speechless, Dr. Martin F. Palmer, Founder of the Institute, developed an integrated three-fold program consisting of the finest possible clinical services for all communicative problems; expert professional education for logopedists; and an excellent and on-going research organization.

S.P.E.B.S.Q.S.A.'s Service Project, the Institute of Logopedics, overlooks no facet of a child's development in his quest for communication. Our pride in our project, this great facility for the speechless, knows no bounds, and our gratitude at having a part in its future is inspiring.

As we sing, we hear in our hearts a chorus of voices once silent who are joining us in song . . . they are the 30,000 who found speech at the Institute of Logopedics which we proudly claim as our own.

But we are mindful also of the millions who silently look to us - and to YOU - for their birthright - *Speech*.

WE SING . . . THAT THEY TOO SHALL SPEAK!!
WE INVITE YOU TO SHARE IN THIS WORTHY CAUSE
IF YOU SO DESIRE

THE THOROUGHBREDS

The Thoroughbreds have been much sought after as an entertaining group, traveling thousands of miles each year - from Los Angeles to Atlantic City and from Canada to New Orleans. As a result, they've become known as "the good will ambassadors from Kentucky".

The Louisville Thoroughbreds trademark is that of PRIDE, both civic and otherwise. Their trademark has been demonstrated throughout the country in the gentlemanly manner in which they present their talents to the public.

The chorus currently has over 100 members. Overall musical direction and coaching is in the capable hands of Jim Miller, who is ably assisted by directors Joe Wise, Bill Myers, Ken Buckner, and Bob Netherton.

The Louisville Chapter has traveled a long road since its inception in 1945, and its Thoroughbred Chorus has established an enviable record in the process. Three times - in 1962, 1966, and again in 1969 - these non-professional harmony lovers have been crowned International Chorus Champions. Jim Miller who directed the Thoroughbred Chorus to their triumphs in 1966 and 1969, recently put it this way. "As any Kentuckian knows, a thoroughbred is the best of its kind, a fierce competitor who always runs to win. Three times our chorus has proved to have that spirit in abundance."

We are very pleased to introduce this headliner quartet to our Louisville audience. Members of the Clermont County (Ohio) Chapter, the New Harmony Four have been delighting harmony lovers for over ten years. They were acclaimed 1969 Quartet Champions in the Johnny Appleseed District, and have since competed in the International Quartet Competitions in 1970, 1971, and 1973. We know you'll join us in welcoming these neighbors from the Cincinnati area, and you'll enjoy every moment of their special blend of harmony and humor.

First formed in 1965, the Citations have become the Pride of Kentucky, compiling an impressive musical track record on the way. They were victorious in their first competitive effort, winning the 1965 Cardinal District Championship only three months after organizing. They have continued these winning ways by qualifying as representatives of the Cardinal District to the Societys' International Quartet Contests for six successive years. In 1970 and again in 1972 they emerged as Finalists, very proudly ranking seventh of all quartets in the country.

Immensely popular with barbershop audiences from coast-to-coast, they have even toured the Far East entertaining military troops under the auspices of the U.S.O. We are certain you too will thrill to the ringing chords of the Citations.

THE CLUB HOUSE FOUR

Tenors Shrader Miller and Pat Stivers
Lead Joe Wise
Baritone Larry Knott
Bass Tim Stivers

Known all over North America as one of the finest comedy quartets in the Barber Shop Society, this group is really unusual in that it has five members instead of four, with Shrader and Pat singing interchangeably in case of conflicting business schedules.

The quartet entered Regional competition in the Spring of 1962, finishing third and representing the Cardinal District as the alternate quartet. In the fall of 1962 The Club House Four won the Cardinal District championship and represented the Cardinal District internationally in 1963 and 1965 and were quarter finalists. The Club House Four has not competed in Regional competition in recent years due to the work schedules and previous commitments of its members.

The Club House Four blends the fine tradition of Barber Shop harmony with the fantastic comedy talent of Tim Stivers to make a show by The Club House Four something to remember. The quartet has been known to take an audience from uncontrollable laughter to tears in the span of one song. The Club House Four has a true flair for entertainment and what an audience wants to hear.

THE DERBYTOWNERS

| | |
|----------------|----------------|
| Tenor | Garry Williams |
| Lead | Don Grammer |
| Baritone | Leroy King |
| Bass | Bob Burnett |

For the past year the Derbytowners have been involved in a most exciting type of entertainment, and the latest advent in mass media entertainment. The result is quadrophonic stereo television broadcasting from Louisville's Channel 15, the only continuing program of this type in the country.

Although the current combination of this quartet is only one year old, they collectively account for over sixty years of quartet experience, having participated in past district champion and internationally ranked quartets.

THE DOWNSMEN

| | |
|--------------------|--------------------|
| Tenor | Charles Oberhausen |
| Lead | Chuck Wollert |
| Baritone | Murriel Luse |
| Bass | Jim Burgess |

A mellow blend of close chords and outstanding Hoosier harmony is the hallmark of this quality quartet. 1969 Cardinal District Champions, the Downsmen have been together for almost six years, proving to audiences all over the Indiana - Kentucky area the thrill and excitement of solid barbershopping.

THE BLUEGRASS STUDENT UNION

| | |
|--------------------|--------------|
| Tenor | Allen Hatton |
| Lead | Ken Hatton |
| Baritone | Dan Burgess |
| Bass | Rick Staab |

The newest and youngest of organized quartets in the Louisville area, the Bluegrass Student Union has fast climbed to top popularity with barbershop audiences. The vigor and vitality of their youth brings an exciting sound to traditional barbershop harmonies. We know you'll cheer-and be cheered-by-the newest colts in the fine stable of Thoroughbreds.
